

KNOW YOUR VOTING RIGHTS

VOTING FROM JAIL IN KANSAS

Can I vote from jail?

Yes. By law, if you are eligible to vote, you should be able to vote even while detained in jail facing charges, before being found guilty and/or being sentenced.

Can I still vote if I have been convicted of a crime?

Yes. If you were convicted of a misdemeanor, you can vote. If you're awaiting trial on a felony charge, you can vote. If you were convicted of a felony, you can vote once you complete your sentence, including any probation or parole. You will have to re-register to vote once your sentence is complete.

Can I get help from a family member or friend?

Yes. Family members and friends can return your registration forms, ballot applications, and completed mail ballots for you. However, you are required to complete and sign the forms and ballot envelope yourself.

If someone is going to deliver your advance voting ballot to the county election office or polling place on your behalf, you must submit a written statement accompanying the ballot at the time of ballot delivery to the county election officer or polling place.
