Re: Kansas Election Protection Program – Anticipated Site Locations for the 2024 General Election

October 28, 2024

Dear County Election Officials,

I am writing to follow up on my June 24, 2024 letter regarding the non-partisan Election Protection program run by the ACLU of Kansas, with support from Loud Light, Stinson LLP, and the Lawyers Committee for Civil Rights. This letter is to inform you that we will be assigning our poll monitor volunteers to polling locations in your counties for the General Election on November 5, 2024.

Attached you will find our working draft of polling location assignments for our volunteers. On Election Day, we anticipate having a volunteer at each location listed on the attached document. Some locations may have multiple volunteers assigned to different shifts. Other locations may have a single volunteer for all or part of the day. Please note the attached list constitutes our best estimate of where our volunteers will be in your county on Election Day, but volunteer assignments may change depending on voter volume or other program needs.

Please ensure that all election workers in your county are advised of our program, how to recognize our volunteers, and that our volunteers are allowed to be within 250 feet of the entrance to the polling location (but not inside the polling area itself). All our Election Protection volunteers will wear name tags and carry signs advertising the 866-OUR-VOTE voter assistance hotline. They may also wear hats and/or a yellow, black, or white Election Protection t-shirt. They may provide election workers with a written flyer containing information about our Election Protection program and the volunteers' presence at polling locations. Please be advised that the Secretary of State and the Attorney General have interpreted the state electioneering law to allow our Election Protection volunteers and signs to be present within 250 feet of polling location entrances, as our volunteers are not engaged in electioneering as defined by the statute.

We appreciate your time and all your hard work and dedication administering fair elections in your county. Please do not hesitate to contact me at kching@aclukansas.org or (913) 608-7341, should you have any questions on Election Day or in the days leading up to the General Election.
