[REDACTED]

Dear [REDACTED]

On behalf of the Shawnee Mission School District, I want to express my sincere and heartfelt apology to you for incidents that took place around the April 18, 2018, National School Walkout. As educators, it is our responsibility to help our students find their voice, and our actions last spring, as detailed in the settlement agreement, fell short of that expectation. We are committed to working with students to support their first amendment rights to free expression and will support that commitment through Board of Education policy and staff training.

Sincerely,

Michael Fulton
Superintendent
